情侣关系

What do you look for in a relationship?

在情侣关系中你最看中的是什么东西？

This is what some people in London told us:

Woman: OK, I look for someone who doesn't take themselves too seriously, who can have a bit of a laugh... also somebody who is quite good looking. I think it's important to be attracted to the person that you're with.

Man 1: Being able to have a lot of fun and that's the main thing really, just being able to have a lot of fun and not getting too heavy about it basically.

Man 2: Companionship, sense of fun, enjoyment - those are sort of words that come to mind immediately.

Did you know...? 你知道吗...?

Fact

A survey has found that married couples live longer and enjoy better health.

Language tip

A relationship can describe mutual dealings, connections or friendships between people, groups or even countries.

Cultural tip

According to a survey, it takes the average British man three years before he proposes to his girlfriend.
