

Spare Time

业余时间

What do you do in your spare time?

业余时间里你做些什么？

This is what some people in London told us:

Woman 1: Not a lot really, housework mainly, I think. And relaxation. That's about it really. I don't have any hobbies... read, watch television.

Woman 2: I like to do karaoke, sing karaoke... gardening, looking after the dogs... the rabbit.

Man: I'm trying to find English girls so... I'm trying to flirt with them!

Did you know...? 你知道吗...?

Fact

A survey has found that British men have 32 minutes more spare time each day than women!

Language tip

Spare time is sometimes referred to as free time or leisure time.

Cultural tip

Watching TV is one of the most popular leisure time activities in the UK.
