### Hairstyles 发型

**Helen:** (touching wig excitedly) Hi Finn

**Finn:** Hi Helen

**Helen:** So...What do you think?

**Finn:** Yes?

**Helen:** (looks at hair)

**Finn:** Oh, are you wearing a new jumper?

**Helen:** No – my hair. 男人怎们就看不到怎么明显的东西呢?

**Finn:** You've had your hair done.

**Helen:** Yes. 我做了头发还染了头发呢。 I've had my hair done.

**Finn:** Great phrase though. Here's how you use it:

**Helen:** I've just had my hair done – what do you think?

**Finn:** Wow – you've had your hair done, it looks ... amazing!

**Helen:** I hate it when people don't notice I've had my hair done.

**Finn:** Have you had your nails done?

**Helen:** No, I haven't had them done, but I've had my legs done shall I show you?

**Finn:** No that's OK. But I've just had my teeth done!

**Helen:** Very shiny. **to have something done** 在英语里是一个很实用的短语，尤其是对女孩子来说—用来做指甲，做头发，做美容都能用得上。

**Finn:** Actually Helen. Have you really had your hair done? I think it's just a wig.  
是假发吗?

**Helen:** Yeah, it is. But do you like the hairstyle? 还有很多不同的发行呢. (flicks fingers – images appear in cool way)

**Finn:** Bob

**Finn:** Crew Cut

**Finn:** Ponytail

**Finn:** A Mohican that's what you need Helen.

**Helen:** No way. 我现在要去理发师那里换个发型了。

**A snip later**

**Helen:** Well here it is – I've had my hair done, do you like it?

**Finn:** It's a wig.

**Helen:** How did you guess? Hmmph. I can't get it off...
